Dear Tribal Leaders:

I am writing to invite you to meet with U.S. EPA Regional Administrator Susan Hedman on August 21, 2014. This continues our ongoing series of tribal leaders meetings, and will be held at the Grand Traverse Resort from 1:00 – 3:00 pm, following the Regional Tribal Operations Committee meeting. Past tribal leaders meetings have been well attended with good open discussions, and we hope you can participate.

In response to your requests, I am developing an agenda based on your input: Please send me your suggested discussion topics as soon as possible, and let me know if you plan on attending (rsvp). Once I have topics from you and your staff, I will distribute an agenda in advance of the meeting.

Regional Administrator Hedman hopes you will be able to join her and is looking forward to meeting with you in Michigan.

Please contact me if you have questions, comments or need additional information.

thanks.....Darrel
